

Dear students, directors, and parents,

We are very excited about our 3rd Annual Solo Competition. If you are planning on participating in the competition, please read the following information carefully. I am looking forward to receiving and reviewing the submissions!

In order to participate in the Solo Competition, the student must:

- Apply, be accepted and participate in the 2017 SEUS Honor Band event.
- Select and prepare one of the “Selected Solos” for their instrument.*
- **Video record** and submit their performance (the recording **MUST INCLUDE ACCOMPANIMENT IF IT IS WRITTEN FOR THE SOLO SELECTED**) and a letter of recommendation from their band director by January 22, 2017.*

*The list of solos for performance submission are available on our website, www.soundofthesouth.org

How to submit your VIDEO RECORDING (with accompaniment if it is written for the solo selected): please send the video recording electronically through a large file share program such as google drive, box.com, etc.

Very important: you must not only upload your recording to YOUR folder, you must also remember to send us (share) the link with us so we can access your performance for our judging panel.

If using a mobile device to record, you may have to upload the video to your computer in order to submit. Please refer to your mobile device/computer instruction booklet if necessary.

Please send the “link” to your video recording to:

cgallahan@troy.edu

In subject line, write Solo Competition.

In the body of the email, paste your link and include:
